Electoral/Voting Reform (ref. Canb Times article 3 weeks ago)

- NO votes for 16/17 yr olds!
- NO votes for non-citizens (Aussie status easily obtained by foreigners & they still able to keep foreign citizenships & passports!!)
- NO votes for so-called Aussies who migrate overseas or who choose to live/work overseas & not pay tax!
- NO voting booths overseas!
- FIXED 3 or 4 yr terms! (prefer 4 yrs)
- ELECTIONS to be held 2nd weekend in December (before school hols)
- Aussies then know when elections are held (just like Yankee President) & must be in Aust. to vote!! Exceptions/Postal for Govt/Defence people posted overseas.
- All candidates must be medically fit!
- Elected reps must serve FULL TERM and cannot resign or change parties!
- If Elected Rep is too sick/dies in office then someone from that party automatically takes the position till next Election! (bye-elections are waste of time & money)

- Voters must indicate 2 preference. If 1st preference doesn't poll at least 10%, then 2nd pref is counted. Too many votes are wasted on minor parties e.g. "Sun-ripen warm tomato party" etc.
- Parties cannot "give" their votes to another party e.g. Greens "give" to Labor! (except if they are an official coalition like Liberal/National). Have a 2nd vote on ballot sheet counted!
- P.M. & D.P.M. must live permanently in Canberra!
- DO NOT replace silly G.G. with a stupid President! PM & DPM can fulfill all ceremonial & official duties!
- SELL KIRIBILLI House in Sydney!
Only need Admiralty House for use by PM, DPM & Federal authorities.
- PM lives in Yarralumla & DPM in Lodge
- must have PARLT APPROVAL for Wars and Peacekeeping missions!
